Re: Company Acquisition

13 May 2019

To our customers, engineering advocates, vendors, and friends:

On May 14th, 2019, Connect-It Wireless will start a new adventure with Valmont Site Pro 1. It is a change that will help us offer new and increasing ways of helping to meet our customers' needs, and it is a change that we are very excited about.

Having spent the last 30 years in the wireless industry, we have seen many changes in this robust and vital field. We have witnessed the evolution from the beginning to what it is now, and throughout the years, we have continued to grow our small business and expand its footprint. After all of this time, though, we wanted to find a way to ensure long term growth. When looking into options on how to achieve that goal, we also wanted to guarantee opportunities and security for our employees who have dedicated years of their lives making Connect-It Wireless a successful company. Without the hard work and sacrifices of these employees we would not have been able to service the many loyal customers that kept the company thriving.

When Joe Catapano from Valmont Site Pro 1 called us with a proposal for Connect-It Wireless to join their team, we were very excited at the prospect of an acquisition by a company of their caliber. Valmont Site Pro 1 is a respected name in our industry, and we are like-minded in our customer-centric approach and commitment to providing innovative, quality products. It is a natural fit.

Valmont Site Pro 1 represents the growth opportunities that we desire both for our company and our employees, and it also allows Connect-It Wireless to continue to service our customers in the manner to which they have been accustomed for the last 16 years. We are optimistic and excited at what the future holds for us in this fast-growing wireless industry.

We are eternally grateful to you for allowing us to be a part of your business and allowing us to support you in yours. Thank you for the many years together...we look forward to many more.

Sincerely,

A handwritten signature in blue ink that reads "Jim & Faith Schultz". The signature is written in a cursive style with a large, stylized initial "J" and "F".
